GRADUATION APPLICATION

Whatcom COMMUNITY COLLEGE

WHATCOM COMMUNITY COLLEGE
GRADUATION/EVALUATIONS
237 West Kellogg Road
Bellingham, WA 98226

Attention Students: Submit completed graduation application electronically to: graduation@whatcom.edu or in person at Orca Central in Heiner

DIRECTIONS & TIMELINE

Students must submit a graduation application to be awarded a degree or certificate of 45 credits or more. Students are encouraged to submit the graduation application one term before they plan to complete all of their requirements.

The priority processing deadline for graduation applications is the 3rd Friday of the term prior to which the student plans to finish degree or certificate requirements; applications will be processed in the order received and the degree or certificate will be awarded in the   term of completion. Applications remain active for four terms so you do not need to reapply if you don't complete requirements in the expected term. For example, if you submitted for Fall term you have until the end of the next Summer term to complete.

Graduation applications received after the priority deadline will be accepted. Applications received during this non-priority period will be processed in the order that they were received and you may not hear from the department until your expected graduation term is over.
