Cell phone communication

Whatcom Community College will occasionally send text message notifications to your cell phone, if you sign up for it. To get the most out of your WCC experience, please provide your cell phone number.

Cell phone number: Example: 360-555-1212

Terms and conditions

I give permission for Whatcom Community College to send text message notifications to my cell phone.
Whatcom Community College estimates the number of text messages to be less than 15 per month.
I agree that depending on my text plan I may incur charges from my wireless carrier and that Whatcom Community College is not responsible for these charges.

This service is separate from the College's emergency notification system. Learn more at the Emergency Info & Campus Safety webpage.
